We Bake Happiness...

Founded in the year 1991 in Delhi, super food is one of the well-known brand highly engrossed in manufacturing and supplying an inclusive compilation of bakery products such as cookies, assorted cookies, cakes, puffs, dry fruit cake and muffin products. These eatable bakery items are processed at our sanitized processing unit using Well-Examined ingredients. Commended for their longer shelf life, high nutritional value, mouth-watering taste and freshness. C.L FOOD PRODUCTS produces scrumptious premium biscuits such as Karachi cookies, butter badam cookies, mix dry fruit cookies which has enabled us to command a sizeable market share in the biscuit industry. Super Food is known for its innovative offerings, packaging and its commitment to quality. Keeping up with changing consumer preferences, the company keeps introducing innovative products which are in line with consumer taste palate.

The company's passion lies in tradition using only the best ingredients to make the tastiest products we can. Our principle of giving you a better taste without compromising on quality separates us from the rest. At C.L FOOD PRODUCTS, Multilevel Quality check and ensures that the perfect balance of taste, hygiene and nutrition are maintained across all variants guided by strong principles of quality, ethics and brand promise. SUPER FOOD has evolved as one of the most trusted and responsible brands of india.
